Sire: Spirit of the Storm ~ Multi-NZ  
champion winning Anglo-Arab

Dam: Poppy - Black TB

DOB: 8/10/07

EMH: 16.2-3hh (Measured at 162cm on

Excellent conformation - very straight and correct.

Tōroa's paces are floating, straight and elevated, with a nice, long stride

He is now started under saddle and going very well in all 3 paces. Roo is hacked out alone and in company; he is pretty unfazed by most things and really enjoys being worked. He is extremely quiet and trainable with a real happy-go-lucky nature.

Tōroa is also showing a nice style when jumped free in the roundyard.

*This gelding has been professionally handled all his life and therefore has impeccable manners on the ground and when ridden. He is excellent to shoe, worm, inject, float, catch and is bomb-proof on the roads.*

*This bold, athletic horse will excel in any discipline.*
